

Agenda Item 13

Osteopathic Medical Board of California

DATE REPORT ISSUED: May 15, 2024
ATTENTION: Members, Osteopathic Medical Board of California
SUBJECT: Executive Report
STAFF CONTACT: Ralph Correa, Probation Monitor

REQUESTED ACTION:

This report is intended to provide the Members of the Osteopathic Medical Board of California (OMBC) with an update on the probation program.

No action is needed.

Total Numbers of physicians on probation

As of today's date, there are 34 licensees on active probation.

4 are tolling out of state and are not receiving credit towards completion of probation.

3 licensees have received Interim Orders pending disciplinary action.

Review of cases

Quarterly reviews are being conducted, all information and documents are being recorded and documented in a full report. As a result, all probationers have received a quarterly review to discuss their specific terms and conditions. The Osteopathic Medical Board's Probation unit has maintained an effective and thorough accountability of our physicians on probation.

Non-Compliance

Two cease practice orders have been placed on licensees and will remain in effect until compliance is met and or a petition for revocation is completed.
