Agenda Item 1 Call to Order and Roll Call/Establishment of a Quorum

The Board Meeting of the Osteopathic Medical Board of California (OMBC) was called to order by Madame President Denise Pines at 09:00 a.m. Machiko Chong, SSM I called roll and determined a quorum was present. Due notice was provided to all interested parties.

Board Meeting Minutes – May 15, 2025

Agenda Item 2 Reading of the Board's Mission Statement

Executive Director Erika Calderon read the Board's mission statement: "to protect the public by requiring competency, accountability, and integrity in the safe practice of medicine by osteopathic physicians and surgeons".

Agenda Item 3 Review and Possible Approval of Minutes

Associate Governmental Program Analyst Beth Clark presented the minutes from the February 13, 2025, Teleconference Board Meeting.

No edits or corrections were identified after a page-by-page review. Public comment was requested by the host; no requests were made online or in the meeting room.

Motion to approve the February 13, 2025, minutes with no corrections

Motion – Dr. Swain **Second** – Mr. Adamyan

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None
- Motion carried to approve the February 13, 2025, minutes with no corrections.

Agenda Item 4 Petition for Early Termination of Probation, Carlo G. Garibaldi, DO

The Office of Administrative Hearing (OAH) Administrative Law Judge (ALJ) Timothy Aspinwall conducted the above hearing.

CLOSED SESSION

Pursuant to section 11126(c)(3) of the Government Code, the Board will meet in closed session for discussion and to take action on disciplinary matters, including the above petition.

Board Meeting Minutes – May 15, 2025

Agenda Item 5 Public Comment for Items not on the Agenda

President Denise Pines opened the floor for public comments on items not explicitly on the agenda. No public comments were made in the meeting room or online.

Agenda Item 6 President's Report

Madame President Denise Pines reported on the OMBC's ongoing dedication to enhancing consumer protection objectives for the 2025-2026 fiscal year. She discussed her participation in the Federation of State Medical Boards (FSMB) Hill Day on March 25, 2025, advocating for the SHARE Act, which aims for background check uniformity with the interstate compact commission, though California is not currently part of the compact.

Ms. Pines reported that Executive Director Erika Calderon and Dr. Patel attended the FSMB annual meeting in Seattle, where Dr. Patel ran for a board position and encouraged others to get involved with the FSMB due to its forward-thinking approach on medical regulation challenges and guidelines (e.g., misconduct, DEI). Additionally, she noted that the FSMB had established an Office of AI to explore technology for greater efficiencies for boards, including smaller ones.

Ms. Pines advised that three of the four newly established OMBC committees have already met.

No public comments were made online or in the meeting room.

Agenda Item 7 Board Member Communications with Interested Parties

Madame President Denise Pines disclosed that a film she produced, "The M factors shedding the silence on menopause," was screened by Assembly Member Rebecca Borrower Khan. She also noted communication with Assembly Member Diane Pappin regarding AB360.

No other board members had disclosures. No public comments were made online or in the meeting room.

Agenda Item 8 Intergovernmental Relations Reports and Administrative Services Update

- **A. DCA Update**

Leslie Barnby, Associate Governmental Program Analyst, Board and Bureau Relations, provided an update on Governor Newsom's proposed 2025-26 State Budget, which includes a reorganization to split the

Board Meeting Minutes – May 15, 2025

Business, Consumer Services and Housing Agency into two agencies, creating a dedicated Business and Consumer Services Agency where the DCA would be housed. This is expected to strengthen the focus on consumer protection. The plan is under review by the Little Hoover Commission and the Legislature.

Ms. Barmby advised that an executive order (N-22-25) was issued on March 3, 2025, requiring all state agencies to implement a hybrid telework policy with a minimum of four days in-office per week starting July 1, 2025. OMBC management confirmed that sufficient space was available in office for board staff.

Board members were reminded to complete their Board Member Orientation Training (BMOT) within one year of appointment or reappointment, with virtual sessions scheduled for June 18 and October 22, 2025.

Ms. Barmby also highlighted the fact that Public Service Recognition Week was celebrated the first week of May.

No public comments were made.

- **B. Budget Update**

Ryan Harrington, Budget Analyst, and Suzanne Bockus, Budget Manager, from the DCA Budget Office provided the update.

It was noted that the board's fund condition statement showed a beginning balance of \$4.6 million in FY 2023-24, ending with \$5 million (14.2 months in reserve). For FY 2024-25, the projected fund balance is \$4.5 million (11.7 months in reserve).

Expenditure projections for FY 2024-25 are approximately \$4.15 million, creating a reversion of \$69,000 (1.64%). **Revenue projections** for FY 2024-25 are \$3.74 million.

Executive Director Calderon noted that a regulatory packet to increase application fees is in the works to proactively address fund levels.

No public comments were made.

Agenda Item 9 Update from the National Board of Osteopathic Medical Examiners (NBOME)

Dr. John Gimpel and Doug Murray presented updates on NBOME activities.

Board Meeting Minutes – May 15, 2025

Key exam changes were announced:

- **COMLEX Level 1** questions will be reduced from 352 to 320 (still 8 hours testing time).
- **COMLEX Level 2** will also have reduced questions starting in June.
- **COMLEX Level 3** will transition from a two-day to a **one-day exam**.
- **Level 1 no longer provides numerical scores, only pass/fail.**
- **Four attempts** are allowed per COMLEX level; a fifth attempt can be petitioned to the licensing authority.

An update on the C3DO (Core Competency Capstone Project) was provided. This project explores campus-based clinical skills assessments, replacing the indefinitely suspended Level 2 PE exam. The C3DO assesses communication, empathy, history-taking, physical exam skills, and OMT across six stations at school campuses. California schools are not currently participating in the pilot.

NBOME continues to make inroads in international recognition; US-trained DOs are recognized as equivalent to MDs in various countries, including Australia, India, and Canada.

Doug Murray highlighted progress in electronic transcript sharing through FCVS and efforts to establish direct data exchange with boards.

No public comments were made online.

Agenda Item 10 Executive Director's Report

Executive Director Erika Calderon provided an update on personnel and administrative functions.

Personnel Updates: The OMBC has 15.9 authorized positions. The administrative services and licensing programs have been merged under Licensing Program Manager Machiko Chong, and Terri Thorfinnson is now the dedicated Legislative and Regulatory Specialist. Andrea Harmon (complaint intake) now reports directly to the enforcement manager. Cristy Livermento was promoted to Enforcement Program Manager on a permanent basis, the first for the board. Rebecca Marco, retired annuitant, concluded her two-year assignment assisting with regulatory packets.

Ralph Correa, the Probation Monitor, received the DCA Superior Accomplishment Award for restructuring the probation program and creating electronic probationer folders and templates.

Board Meeting Minutes – May 15, 2025

Executive Order N-15-25 deferred renewal fees and waived duplicate/replacement license fees for licensees impacted by the Los Angeles area fires, with minimal impact on the Board's finances.

Executive Order N-22-25 mandates a return to four days of in-person work per week starting July 1, 2025, which OMBC can accommodate.

The CURES fee increased from \$9 to \$15 yearly (\$30 for a two-year cycle) on April 1, 2025. Communications efforts include regular meetings with various stakeholders, including the CURES Executive Stakeholder Committee and Consumer Watchdog group. The third edition of the "OsteoScope" newsletter was published, and social media platforms are actively used for outreach.

OMBC staff, including Madame President Pines and Dr. Patel, attended the OPSC 65th Annual Convention and the FSMB Annual Meeting. The OMBC received the "Wellbeing First Champion Badge for 2025" for removing overly broad and invasive mental health questions from its licensing applications.

Staff participated in the 4th Annual Latina Maternal Health Fair in Bakersfield. Public comments praised the report and recognized the work of Cristy Livramento and Ralph Correa.

Agenda Item 11 Licensing/Admin Program Summary

Machiko Chong, Licensing Program Manager, presented an overview of licensing statistics and program updates.

As of May 15, 2025, there are 16,565 licensed osteopathic physicians and surgeons, 1,174 postgraduate training licensees (PTL), and 1,269 fictitious name permits, and one temporary osteopathic physician/surgeon license. There are 312 pending initial applications, with 48 requesting expedite services. This includes 88 postgraduate training license applications (growing) and 220 osteopathic physician and surgeon applications. Ms. Chong noted that the Board experienced 51% decrease in Physician and Surgeon applications received year-over-year (Q1-Q3 FY 2023/24 vs FY 2024/25) was noted, attributed to a lack of new osteopathic schools in California.

The Licensing Unit recently integrated three additional staff members as part of a reorganization. Updates have been made to CME Compliance and Fictitious Name Permit documents, and BreEZe system transactions.

Staff will begin UAT testing for PTL and physician and surgeon applications, including the removal of a postgraduate training modifier hold. Review and revision of the Fictitious Name Permit application is also planned.

No public comments were made.

Board Meeting Minutes – May 15, 2025

Agenda Item 12 Enforcement Program Summary

Cristy Livramento, Enforcement Program Manager, provided updates.

The unit is procuring new medical consultants and experts to assist with case reviews; with seven new SME contracts being secured. Additionally, the Enforcement Unit purging project is ongoing, with closed cases, disks, and CD drives being purged based on retention schedules.

Enforcement Statistics (Q1-Q3 FY 2024/25):

- **PM1 (Complaints/Arrests Received): 749 complaints and 19 arrest/conviction notices**, representing a **23% increase** from the previous fiscal year, attributed to initiating enforcement on applications with prior arrest histories and increased Board outreach.
- **PM2 (Intake/Avg. Days): 4 days** (target: 10 days), meeting the target.
- **PM3 (Investigations Cycle Time): 191 days** (target: 360 days), a 13% decrease from last year, despite a **larger workload of 694 investigations initiated** (vs. 563 last year).
- **PM4 (AG Transmittal Cycle Time): 925 days** (target: 540 days), a 21% decrease from last year but still not meeting the target, as this measure is less controllable due to external entities.

There are 671 pending enforcement cases, with 92 at HQIU and 21 at the Attorney General's Office.

Disciplinary actions year-to-date include 4 Interim Suspension Orders, 2 public reprimands, 8 accusations filed, 3 administrative citations issued, 7 licensees placed on probation, 2 licenses surrendered, and 1 license revoked.

Public comments requested more details on the purging project (retention periods) and statistics on patient impact statements and required interviews.

Agenda Item 13 Probation Program Summary

Ralph Correa, Probation Monitor, reported on the program.

There are 34 licensees on active probation, with 4 of them out of state (not receiving credit). Four licensees have received Interim Orders pending disciplinary action, and two cease practice orders have been issued for non-compliance. Quarterly reviews are conducted for all probationers, with information and documents thoroughly recorded.

No public comments were made.

Board Meeting Minutes – May 15, 2025

Agenda Item 14 Rulemaking Update

Terri Thorfinnson, Legislative and Regulatory Specialist, provided an update on three regulatory packages.

The CME/Audit and Cite and Fine package is in its final Department of Consumer Affairs (DCA) regulatory review, a lengthy process involving multiple approvals before submission to the Office of Administrative Law (OAL). This package will significantly expand the Board's ability to issue citations and fines for any violation under its jurisdiction (not just a specific list), a "huge change" for enforcement. It would allow fines up to \$2,500 for most violations, and up to \$5,000 in exceptional circumstances. Unlicensed practice of medicine could also be subject to a \$5,000 citation.

The Fees and License Status rulemaking documents are currently under review with the Board's Regulatory Counsel; and the Disciplinary Guidelines are in the initial drafting stages, with proposed language expected for review at the August Board meeting.

No public comments were made.

Agenda Item 15 Legislative Report

Terri Thorfinnson presented proposed legislation for discussion and possible action, noting that a new Legislative Committee has begun reviewing bills.

AB 54 (Krell) Access Safe Abortion Act: Reaffirms that manufacturers, distributors, healthcare providers, and pharmacists are not subject to civil/criminal liability or professional disciplinary action for accessing, mailing, shipping, or administering mifepristone or misoprostol.

Motion to support AB 54 (Krell) Access Safe Abortion Act.

Motion – Dr. Swain Second – Mr. Cummins

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None
- Motion carried to support AB 54 (Krell) Access Safe Abortion Act.

AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care: A comprehensive bill to protect women's access to reproductive healthcare, closing loopholes by limiting disclosure of prescription lists for abortion medications to hostile entities (e.g., out-of-state

Board Meeting Minutes – May 15, 2025

law enforcement) and prohibiting disciplinary action against healthcare practitioners for prescribing/dispensing these drugs. It also requires Medi-Cal to update enrollment for telehealth reproductive care providers.

Motion to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

Motion – Dr. Swain **Second** – Mr. Cummins

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

Motion to reconsider initial vote to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

Motion – Dr. Swain **Second** – Mr. Cummins

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to reconsider initial vote to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

Motion to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

Motion – Dr. Patel **Second** – Mr. Cummins

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – Dr. Lockman
 - **Absent** – None

Board Meeting Minutes – May 15, 2025

Motion carried to support AB 260 (Aguiar-Curry) Sexual and Reproductive Health Care.

AB 360 (Papan) Menopause Survey: Requires the Department of Health Care Access and Information (HCAI) to collaborate with the Medical Board of California, OMBC, and state higher education entities to assess physicians' education and training related to menopause diagnosis and treatment. The bill aims to identify knowledge gaps and recommend state policy improvements.

Motion to support AB 360 (Papan) Menopause Survey.

Motion – Dr. Patel Second – Dr. Swain

Public Comment: Teyonna Bowman (Positive Outlook) spoke in support, sharing personal experience with insufficient menopause information and the bill's importance for women's health.

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to support AB 360 (Papan) Menopause Survey.

AB 432 (Bauer-Kahan) Mandatory CME: Menopause: Treatment: This bill requires certain physicians (general internists, family physicians, OB/GYNs, cardiologists, endocrinologists, neurologists) with at least 25% female patients under 65 to complete at least 10% of their mandatory CME in perimenopause, menopause, and postmenopausal care.

Motion to support AB 432 (Bauer-Kahan) Mandatory CME: Menopause: Treatment.

Motion – Dr. Patel Second – Dr. Swain

Public Comment: Ryan Spencer (American College of Obgyn's district nine) and Alicia Sanchez (CMA) asked for an "oppose unless amended" position, arguing against mandating CME topics and emphasizing physicians' discretion in choosing relevant education.

- Roll Call Vote was taken

Board Meeting Minutes – May 15, 2025

- **Aye** – Mr. Adamyan, Mr. Cummins, Mr. Moreno, Ms. Pines
- **Nay** – Dr. Lockman, Dr. Patel, Dr. Swain
- **Abstention** – None
- **Absent** – None

Motion carried to support AB 432 (Bauer-Kahan) Mandatory CME: Menopause: Treatment.

AB 742 (Elhawary) Expedite License Applications for Descendants of Slaves: This bill directs the DCA to prioritize (expedite) license applications for descendants of American slaves, similar to AB 2862 from last year but with broadened eligibility. It is tied to SB 518, which would establish a bureau for descendant certification. The Board noted this adds a sixth expedite category, increasing staff workload.

Motion to support AB 742 (Elhawary) Expedite License Applications for Descendants of Slaves.

Motion – Dr. Patel **Second** – Mr. Moreno

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Mr. Moreno, Dr. Patel, Ms. Pines
 - **Nay** – None
 - **Abstention** – Dr. Lockman, Dr. Swain
 - **Absent** – None

Motion carried to support AB 742 (Elhawary) Expedite License Applications for Descendants of Slaves.

AB 489 (Bonta) Prohibition of AI: Deception use: posing as licensed professionals: Prohibits AI from falsely posing as a licensed healthcare provider (e.g., mental health professional) through telemedicine. Violations would be under the jurisdiction of the appropriate healthcare board, which could seek injunctions.

Motion to support AB 489 (Bonta) Prohibition of AI: Deception use: posing as licensed professionals.

Motion – Mr. Adamyan **Second** – Mr. Cummins

Public Comment: Alicia Sanchez (CMA) supported the bill as a sponsor.

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None

Board Meeting Minutes – May 15, 2025

- **Absent** – None

Motion carried to support AB 489 (Bonta) Prohibition of AI: Deception use: posing as licensed professionals.

AB 667 (Solache) Board Paid Interpreters for State Exams and License Applications: This bill would have required state boards to pay for interpreters for licensing exams and applications. However, recent amendments exempt OMBC and other healing arts boards from this requirement, making it a "Watch" bill for the OMBC.

Recommendation: Watch (due to amendment) / Neutral. No vote was taken as the bill no longer applies to OMBC.

AB 876 (Flora) Nurse Anesthetists; Expansion of Scope of Practice: Originally proposed to allow nurse anesthetists (CRNAs) to practice medicine without physician supervision. Although recent amendments attempt to codify existing law, the Board views them as altering the scope of practice and posing significant public safety risks, as anesthesiology is considered the practice of medicine requiring physician supervision.

Motion to oppose AB 876 (Flora) Nurse Anesthetists; Expansion of Scope of Practice.

Motion – Dr. Lockman **Second** – Dr. Patel

Public Comment: Alicia Sanchez (CMA) opposed the bill due to patient safety concerns.

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to oppose AB 876 (Flora) Nurse Anesthetists; Expansion of Scope of Practice.

AB 1215 (Flora) Hospital Membership: Non-physician expansion: This bill would expand hospital medical staff and peer review committee membership to include various non-physician healthcare professionals. The Board believes this poses unnecessary risks due to differences in training and competency compared to physicians, who are best qualified for peer review.

Board Meeting Minutes – May 15, 2025

Motion to oppose AB 1215 (Flora) Hospital Membership: Non-physician expansion

Motion – Dr. Lockman **Second** – Dr. Patel

Public Comment: Alicia Sanchez (CMA) opposed the bill due to patient safety concerns.

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – Mr. Cummins
 - **Absent** – None

Motion carried to oppose AB 1215 (Flora) Hospital Membership: Non-physician expansion.

Public Comment: Alicia Sanchez (CMA) supported the opposed position, citing the bill's "one size fits all" approach.

SB 508 (Valladares) License Exemption for Out of State Telemedicine Physicians:

This bill expands the license exemption for out-of-state physicians treating California patients via telemedicine, allowing continued non-urgent care. The Board believes this is an unnecessary expansion that creates a "slippery slope" for licensure exemptions and leaves patients without enforcement jurisdiction if harm occurs.

Motion to oppose SB 508 (Valladares) License Exemption for Out of State Telemedicine Physicians.

Motion – Dr. Swain **Second** – Mr. Adamyan

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to oppose SB 508 (Valladares) License Exemption for Out of State Telemedicine Physicians.

Board Meeting Minutes – May 15, 2025

SB 641 (Ashby) States of Emergency: Waivers and Exemption: Authorizes DCA boards to waive certain licensure requirements (e.g., exams, fees, CE) for licensees/applicants impacted by declared emergencies, allowing for more flexibility.

Motion to support SB 641 (Ashby) States of Emergency: Waivers and Exemption.

Motion – Dr. Swain **Second** – Mr. Adamyan

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to support SB 641 (Ashby) States of Emergency: Waivers and Exemption.

AB 460 (Chen) Radiologic Technologists: Telemedicine Supervision: Scope of Practice: This bill revises the definition of direct physician supervision for radiologic technologists to include telemedicine video supervision, with required safety protocols and onsite personnel for emergencies. The Board views this as relaxing direct supervision and posing public safety risks, as radiologic assistants are not trained to handle emergencies.

Motion to oppose AB 460 (Chen) Radiologic Technologists: Telemedicine Supervision: Scope of Practice.

Motion – Dr. Swain **Second** – Dr. Patel

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Mr. Moreno, Dr. Patel, Ms. Pines
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to oppose AB 460 (Chen) Radiologic Technologists: Telemedicine Supervision: Scope of Practice.

AB 967 (Valencia) Expedited Processing Fee: This bill requires the Medical Board of California (MBC) to expedite licensure for applicants paying an expedite fee (up to \$250). It aims to address physician shortages but does not currently apply to OMBC. The Board argues that physician delays are due to missing documents, not processing time, and cannot absorb this unfunded mandate if included.

Board Meeting Minutes – May 15, 2025

Recommendation: Staff to convey opposition to the bill unless funding is provided for additional staff needs, if amended to incorporate OMBC. The Board collectively decided against being included as an unfunded mandate.

Motion to support AB 967 (Valencia) Expedited Processing Fee upon an amendment that incorporates OMBC to be included. Staff shall convey to the legislature it opposes the bill unless funding is provided to support additional staff needs.

Motion – Dr. Swain Second – Dr. Lockman

- Roll Call Vote was taken
 - **Aye** – Mr. Adamyan, Mr. Cummins, Dr. Lockman, Mr. Moreno, Dr. Patel, Ms. Pines, Dr. Swain
 - **Nay** – None
 - **Abstention** – None
 - **Absent** – None

Motion carried to support AB 967 (Valencia) Expedited Processing Fee upon an amendment that incorporates OMBC to be included. Staff shall convey to the legislature it opposes the bill unless funding is provided to support additional staff needs.

2023 Informational Bill “Watch” List: The Board reviewed a list of 14 bills for informational purposes, indicating they will continue to monitor them.

- No public comments were made.

Agenda Item 16 Future Agenda Items and Meeting Dates

- Future agenda items include: providing details on the purging project and an updated organizational chart for the August meeting.
- A board member proposed a presentation on the corporate practice of medicine.
- **Future Meeting Dates:**
 - Thursday, **August 14, 2025**, at Touro University College of Osteopathic Medicine.
 - Thursday, **November 13, 2025**, at the Department of Consumer Affairs Headquarters.
 - A tentative date of **Thursday, January 22, 2026**, in Sacramento was discussed.

Board Meeting Minutes – May 15, 2025

- Discussion was held about visiting osteopathic universities for meetings to encourage student interaction, with the educational committee tasked with coordinating this effort.
- No public comments were made.

Agenda Item 17 Adjournment

- The meeting was adjourned.
