

IMPORTANT UPDATE

February 18, 2026

Effective immediately, the Board will no longer accept paper-based applications for the creation of a Fictitious Name Permit. Applicants are strongly encouraged to use the electronic application which you can locate within your [BreEZe](#) portal.

The switch to a paperless application process helps both applicants and the Board by increasing the efficiency of the review process, enhancing security, and reducing costs and impact to the environment.

If you have any questions about this process change, please contact the Board by phone at (916) 928-8390 or via [email](#).

Please allow 30 business days to pass before reaching out to the Licensing Unit to inquire on the status of your application.
